SUBJ: SAFETY ALERT - DIGITAL BRIGHT RADAR INDICATOR
TOWER EQUIPMENT (DBRITE) DISPLAYS

1. PURPOSE. This order directs attention to the possible safety hazard that exists with the mounting track system that supports the DBRITE displays. This order pertains only to air traffic control towers that have DBRITE mounted on ceiling track systems in the tower cab.
2. DISTRIBUTION. This order is distributed to the division level in the regional Airway Facilities divisions.
3. ACTION. A number of DBRITE displays have become separated or have fallen off the mounting track system that supports the DBRITE display. Listed below are suggestions for field facilities to accomplish to correct this possible safety hazard:
 - a. Tighten loose hardware.
 - b. Check track rigidity.
 - c. Clean and lubricate track and trolley.
 - d. Inspect turnbuckle.
 - e. Inspect for weld cracks of pipe nipple to trolley.
 - f. Replace any missing hardware.
